Revision History

Date	Version	Description (Description)	Author
20250618	V1.0	Found	Zhou Kai

1. Product Function

Function of tonic chord	◆ Full view, wide field of vision ◆ Supports 2.4G + 5G Wi-Fi connectivity and data transfer ◆ high contrast and transmittance ◆ High-definition resolution, fine display ◆ Support Dolby Sound ◆ High color gamut, true color reproduction ◆ Supports Apple and Android screen mirroring ◆ Supports voice control ◆ Supports HDMI and USB for enhanced connectivity and compatibility ◆ Includes commonly used software such as YouTube and Google Play Store
Other features	✧ Ports: COAX*1, HEADPHONE*1, RJ45*1, RF*1, HDMI*2, AV IN*1, USB*2

2. Overall Appearance

3. Product Parameter

Essential information	Size	75 inch
	Model Name	RSU75001 TV Monitor
LCM	Panel size	75"
	Product resolution	3840*2160
	Show area	1650.24 (W) × 928.26 (H) mm
	Surface preparation	Matte
	Display Mode	ADS, often black display, transmission type
	Standards of overall brightness	300
	Contrast ratio	6000:1 (Typ.) (Transmission)
	Reaction time	6 (Typ.) (Tr+Td) ms
	Touch	Deny
	Pixel spacing	0.14325×0.14325 mm
	Screen Ratio	16:9
	Angle of view	178°
	Refresh rate	60HZ
	Colour gamut	72%NTSC
Interface type	HDMI	HDMI
	COAX	COAX
	RJ45	RJ45
	RF	RF
	AVIN	AV IN
	Headphone jack	Headphone jack
Key	Button mode	Ground key interface
Appearance weight	Appearance Material-Color	ABS plastic cement
	Total dimensions (including bracket) (mm)	1668*1024.7*86.5
	Net weight (Kg)	18.2
	Rough weight (Kg)	29.6
	Package size (cm)	178.04*15.7*107.6
	Number of outer packaging boxes (units)	1

Hardware support features	Set-top box/Computer	HDMI
	Notebook tablet	HDMI/ wireless
	Smart mobilephone	Wireless
	Suona	10W*2 (8 Ω)

4. System Parameter

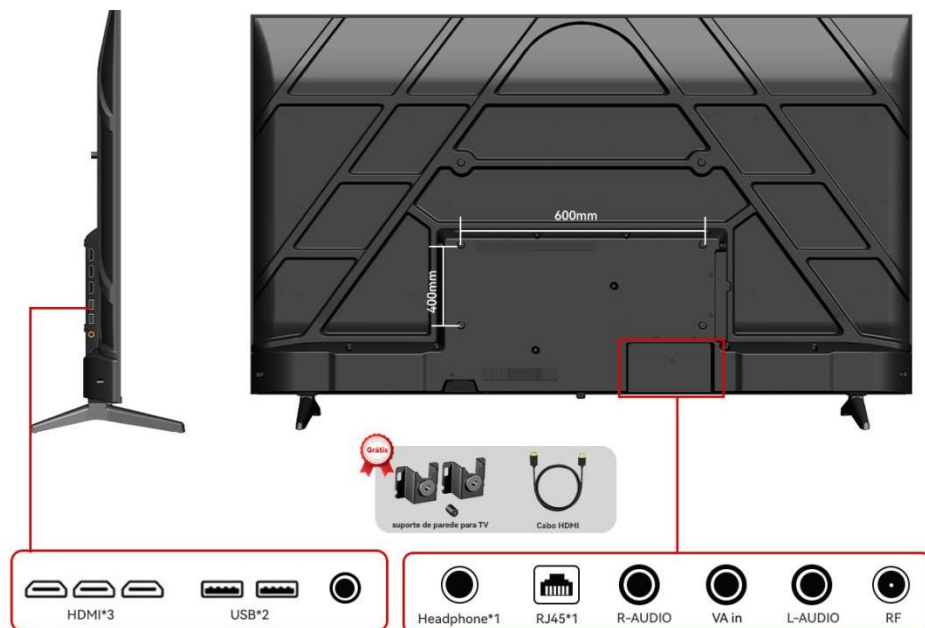

CPU	1. 2GHz
Operating System Type	Android 14.0 (AOSP)
ROM+RAM	2+16G
Display interface	V-BY-ONE interface, supporting resolutions up to 3840×2160p@60fps
Board mounted backlight	DLED
Video Decoder	Multi-format @FHD 60FPS
WI-FI frequency range	2. 4G+5G
Language	Supports Chinese, English, Spanish, and Portuguese. Other languages can be customized.
Screen mirroring support system	Android, iOS, and Windows are the three major operating systems.
HDMI IN port	HDMI IN port
Lubrication port	1 Group 10-watt X2 stereo dual-speaker interface
Power input	Input: AC100V-AC240V

5. Display Parameters

Panel size	75 Inches (16:9)
Screen resolution	3840*2160
Color intensity	8bit
Luminance	≥ 200 cd/m ²
Contrast ratio	6000: 1
Viewing angle	89° (H) /89° (V)
Screen response time	6ms

6. Whole Machine Interface

Spigot	Function
HEADPHONE	Audio output
RJ45	Receive network connection
AV IN	Analog signal input interface
RF	Receive analog TV signal
HDMI 1	Audio and video data input
HDMI 2	Audio and video data input
HDMI 3	Audio and video data input
USB	Software upgrade, multimedia playback
USB	Software upgrade, multimedia playback
COAX	Receive TV signals

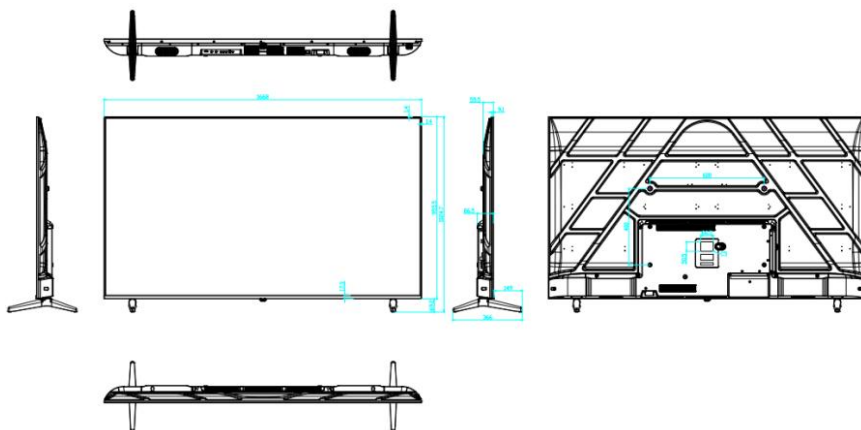

7. Random Attachments

Base bracket	2 individual	Standard configuration
7 Battery number	2 individual	Standard configuration
Wall-mounted bracket	2 individual	Standard configuration
HDMI (4K) cable 1.5M	1 twig	Standard configuration
Telecontroller	1 individual	Standard configuration

Instructions	1 individual	Standard configuration
Screw	4 individual	Standard configuration

8. Machine Size Diagram Unit: Mm

9. Packaging and Shipping

One unit per box. After filling, seal the box with tape without external packaging.
